

Established in 1899. 100% genuine geothermic natural hot springs.

Onneyu Hot spring Hotel Oehonke

Sulphur hot spring

美白の湯
Bihaku no yu

Take your time and enjoy the changing seasons with a leisurely soak in the "Bihaku no yu" that will gently ease your body and soul.

A perfect base, central for sightseeing in Eastern Hokkaido.

Located in between Sounkyo and Abashiri, this makes for a great place as a central base with lodging and dining facilities for your sightseeing in Eastern Hokkaido. It is also easy to access the main tourist spots in this area such as, "Shiretoko World Natural Heritage", "Lake Mashu and Lake Akan National Park" and "Abashiri and Monbetsu" where the "Ice Breaker Cruisers" are popular. It is also only a 3 hour drive to the Asahiyama Zoo which is the most visited zoo in the nation, and is also the sister zoo with the Singapore Zoo.

Onneyu Hot Spring Genuine geothermic natural hot springs.
